In the event Seller is required by any applicable law to provide Buyer with any representations or disclosures regarding the condition of the REOs, or any other requirements with regard to any individual REO, Buyer waives such requirements and agrees that it will not take any action to obtain any remedy to which it may be entitled arising therefrom. If

any condition of any property is required to be in existence or improved in connection with a sale thereof, Buyer hereby agrees that it shall make any and all such improvements at its cost. Buyer agrees to accept each REO and title thereto subject to such facts, circumstances, defects and problems which exist as of the date hereof and as of the Closing Date on an “as is-where is” basis except for the statutory warranty of title (“*saneamiento por evicción*”) imposed by the Civil Code of Puerto Rico upon sellers of real property, as set forth in Article 1363(1) of the Civil Code of Puerto Rico (31 L.P.R.A. § 3831(1)). Except as expressly set forth in this Agreement, Buyer represents and warrants that it is not relying on any representations or warranties of Seller or any other person as to the state or condition of the REOs. Buyer knowingly and expressly waives the warranties against latent and hidden defects (“*saneamiento por vicios ocultos*”) imposed by the Puerto Rico Civil Code upon sellers of real and personal property with respect to the sale of the REOs.

- (k) OFAC List/Prohibited Persons. Neither Buyer nor any of its Affiliates, nor any of its or its Affiliates’ respective officers, directors, agents, partners, members, controlling entities and employees: (i) is a Prohibited Person, and the funds to be used by Buyer to pay all amounts payable by Buyer hereunder are delivered from legitimate and legal sources and not from any Prohibited Person; (ii) is a party to or is otherwise involved in, or is aware of Buyer’s, any of Buyer’s Affiliates’ or any of Buyer’s or its Affiliates’ respective officers’, directors’, agents’, partners’, members’, controlling entities’ and employees’ involvement in, any threatened litigation or other administration or adversarial proceedings affecting Seller or any of its Affiliates; or (iii) is an Obligor, principal of any Obligor, or Affiliate of any Obligor, on any Loan.
- (l) Government-Guaranteed Loans. Certain Government-Guaranteed Loans may require the servicer to be approved by the applicable governmental authority. Buyer acknowledges that if it, or its designated servicer, does not have such approvals in place, the guaranty(s) under such Government-Guaranteed Loans may terminate. Buyer further agrees to comply with any required servicing guidelines specific to Government-Guaranteed Loans.

Section 3.2 Survival of Representations and Warranties. Each representation and warranty made by Buyer in Section 3.1 of this Agreement shall survive the Closing and, except for the Deeds, shall not merge into any document executed as part of the Closing, but instead shall be independently enforceable except to the extent expressly limited in this Agreement.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF SELLER

Section 4.1 Representations and Warranties by Seller. Seller makes the following representations and warranties, each of which is true and correct in all material respects on the date hereof:

- (a) Authority; Binding on Seller; Enforceability. Seller is duly organized, validly existing and in good standing in the Commonwealth of Puerto Rico. Seller has corporate powers adequate for the making and performing of this Agreement, has

taken all corporate action required to execute, deliver and perform this Agreement and to make all of the provisions of this Agreement the valid obligations they purport to be and has caused this Agreement to be duly executed and delivered by a duly authorized officer or officers of Seller. This Agreement, assuming due authorization, execution and delivery by Buyer, constitutes a valid, legal and binding obligation of Seller, enforceable against Seller in accordance with the terms hereof, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights generally, and (ii) general principles of equity, regardless of whether such enforcement is considered in a proceeding in equity or at law.

Seller does not require any consent from the Puerto Rico Oversight Board to enter into this Agreement or such consent has been duly obtained.

- (b) Conflict with Existing Laws or Contracts. The execution and delivery of this Agreement and all related documents and the performance of the obligations hereunder and thereunder by Seller do not violate Seller's enabling law or conflict with any provision of any law or regulation to which Seller is subject, conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any agreement or instrument to which Seller is a party or by which Seller is bound or any order or decree applicable to Seller or result in the creation or imposition of any lien on any asset or property of Seller, any of which, in Seller's commercially reasonable judgment, would materially and adversely affect the ability of Seller to perform its obligations under this Agreement; and Seller has obtained all consents, approvals, authorizations or orders of any court or governmental agency or body, if any, required for the execution, delivery and performance by it of this Agreement.
- (c) Legal Action Against Seller. Seller has not received written notice of any action, suit or proceeding pending against Seller in any court or by or before any other governmental agency or instrumentality which is likely, in Seller's commercially reasonable judgment, to materially and adversely affect the ability of Seller to perform its obligations under this Agreement.
- (d) Bankruptcy of Seller. Seller has not filed any petition seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any law relating to bankruptcy or insolvency, nor has Seller received written notice that any such petition been filed against Seller. Seller is not insolvent and the consummation of the transactions contemplated by this Agreement shall not render Seller insolvent.
- (e) OFAC List/Prohibited Persons. Neither Seller nor, to its knowledge, any of its Affiliates, nor, to its knowledge, any of its or its Affiliates' respective officers, directors, agents, partners, members, controlling entities and employees: (i) is a Prohibited Person, (ii) is a party to or is otherwise involved in, or is aware of Seller's, any of Seller's Affiliates' or any of Seller's or its Affiliates' respective officers', directors', agents', partners', members', controlling entities' and employees' involvement in, any threatened litigation or other administration or adversarial proceedings affecting Buyer or any of its Affiliates.

Section 4.2 **Representations and Warranties by Seller as to the Assets.** Seller makes the following representations and warranties 4.2(a)-(d) , each of which is true and correct in all material respects on the date hereof, for all Loans sold hereby, and Seller makes the following representations and warranties 4.2(e)-(l), each of which is true and correct in all material respects on the date hereof, for only those Loans sold hereby with a Pool designation of “Pool 1A”, “Pool 1B”, or “Pool 2” on the Loan Schedule:

- (a) **Ownership and Right to Sell.** Except for the Assets listed in Schedule 4.2(a), Seller is the sole owner and holder of each Asset and has full right to sell and assign each Asset, and Seller’s interest in any Collateral Documents related thereto offered by it hereunder are free and clear of any lien or security interest of any third party and without the consent of any third party, except such consent as has been obtained or will be obtained on or prior to the Closing Date or is unnecessary under applicable law. Notwithstanding the foregoing, (i) a Loan could be secured by Collateral that may be subject to, senior or prior liens, mortgages, security interest or encumbrances having priority over the Mortgages or the other Collateral securing such underlying Loan, as stated in the Loan Schedule (ii) an Asset or its Collateral, in the case of a Loan, can be subject to Pending Litigation, liens for real property taxes and assessments, and condominium association, resort and homeowner association dues and assessments, and (iii) the Assets for which the Seller has already commenced a collection or foreclosure action against an Obligor of the Loan related to such Asset will be subject to the rights provided to such Obligor under Article 1425 of the Puerto Rico Civil Code (31 L.P.R.A. § 3950) regarding the sale of a litigious credit.
- (b) **Loan Schedule.** The information as set forth on the Loan Schedule is true and correct as of the Cutoff Date.
- (c) **Bulk Sales Act.** That the consummation of the transactions contemplated by this Agreement is in the ordinary course of business of Seller and that no sale of the Assets by Seller pursuant to this Agreement will be subject to the bulk transfer law or any similar statutory provisions in effect in any applicable jurisdiction.
- (d) **Cross-Collateralization.** No Loan is cross-collateralized with any other loan owned by Seller, other than to another Loan set forth in the Loan Schedule.

In abundance of caution and as a consideration to the transactions effectuated herein, Seller hereby expressly and irrevocably releases and de-crosses any and all collateral security granted to the Seller by an Obligor under the Loans which also were intended to secure other obligations and/or loans not being sold, transferred or conveyed herein to Buyer, and accordingly, such released collateral shall no longer be deemed to secure and/or guarantee such obligations or loans not being sold, transferred or conveyed to Buyer.

Notwithstanding the above, Buyer shall have the right to remove from this Agreement any Loan that is subject to a cross-collateralization and follow the repurchase procedure set forth in Section 5.1(b).

- (e) No Undisclosed Modification. Except as disclosed in the Due Diligence Materials, Seller has not modified any related Note, Mortgage Note, Guaranty, Mortgage or Security Agreement or satisfied, canceled, postponed or subordinated any such Note, Mortgage Note, Guaranty, Mortgage or Security Agreement in whole or in part or released all or any material portion of (i) a Mortgaged Property from the lien of the Mortgage secured thereby or (ii) the personal property from the security interest granted by the Security Agreement, or executed any instrument of release, cancellation, termination or satisfaction or (iii) any Guarantor from its obligations under the Guaranty or (iv) any Pledgor from its Security Agreement.
- (f) Disbursement of Loan Proceeds. Unless such Loan has a “Yes” in the Future Funding Flag on the Loan Schedule, no Borrower has the right to disbursement of additional loan proceeds or future advances with respect to any Loan.
- (g) Loan Files. With respect to each Loan, the related Note, Mortgage Note, Guaranty, Mortgage and Security Agreement, if any, and any documents modifying the terms of such Note, Mortgage Note, Guaranty, Mortgage and Security Agreement included in the Loan File are true and correct copies of the documents they purport to be. The Loan File for each Loan includes all material documents relating to such Loan that are in the possession of Seller, including, but not limited to, correspondences to and from Obligors and reports prepared by third parties, but excluding, however, internal analysis and correspondences, emails, privileged information, and regulatory correspondence so long as the terms of the Loans and related Collateral Documents are not modified by any such excluded documents and information. Anything to the contrary notwithstanding, Seller makes no representation or warranty as to the accuracy of facts, analyses or abstracts recited or contained in any documents, reports and papers which are included in the Loan Files, including, without limitation, rent rolls, financial statements, operating statements, appraisals, environmental reports and any other information in the Loan Files or which may have been provided by third parties.
- (h) Enforceability. Except as otherwise provided herein or in the Due Diligence Materials, each Mortgage, Mortgage Note, Security Agreement or Guaranty and the Note and/or Loan that they secure, supports or evidences is the legal, valid, binding and enforceable obligation of the maker thereof, except to the extent such enforcement may be subject to or limited by (A) any bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, pending foreclosure action, or similar laws, or (B) legal or equitable principles relating to or affecting creditors’ rights generally, or (C) applicable state anti-deficiency legislation, or (D) the effect of other laws and interpretations thereof and court decisions which may modify or delay certain remedies provided in the Collateral Documents, or (E) certain covenants in each Note, Loan Agreement, Guaranty, Security Agreement or Mortgage that may not be enforceable, but the unenforceability of any particular provision or provisions will not materially affect the ability of the holder thereof to realize the intended benefits of any of

the Collateral Documents, or (F) Article 1425 of the Puerto Rico Civil Code (31 L.P.R.A. § 3950) regarding the sale of litigious credits.

Moreover, Seller is the holder by endorsement of all Notes and Mortgage Notes executed in connection with the Loans, except that such endorsements are not required in those cases where the corresponding Note and/or Mortgage Note is payable in favor of the bearer.

- (i) Loan Title Insurance. The lien as set forth on the Loan Schedule of each related Mortgage encumbering a Mortgaged Property that serves as primary collateral for the related Loan, is insured by an ALTA lender's title insurance policy in the jurisdiction in which the Mortgaged Property is located.

Such Existing Title Policy (i) was issued on or about the date of the closing of the corresponding Loan purporting to insure such Mortgage in an amount not less than the original principal amount of such Loan; (ii) is in full force and effect and all premiums thereon have been paid (other than any premiums associated with any endorsements requested by Buyer); (iii) has not been terminated or cancelled; (iv) is not subject to any claim in writing; or (v) has not paid for any claim under such title policy.

Moreover, such title insurance policies cover the Seller, its successors and assigns.

Mortgages encumbering Mortgage Property that serves as secondary collateral for the related Loan may or may not have Loan title insurance.

- (j) Optioned REOs. Other than set forth in the Loan Schedule, no REO is the subject of an effective contract between Seller and any other person, including but not limited to brokerage agreements (both rental and sale), leases, property management agreements, property maintenance and/or improvement contracts (or offers to sell or lease); and Seller has no knowledge of the existence of any such contracts to which Seller is not party. The Loan Schedule sets forth a true, correct and complete list of all leases of any portion of an REO.

In the event that Seller has executed an option to sell to a third party any REO and the closing to execute the deed of purchase and sale of such REO is scheduled to occur up to 60 days after the Closing Date, then Buyer may, at its sole discretion, decide not to execute the deed of purchase and sale to acquire the REO (as per the terms of this Agreement), but instead instruct the Seller to make the sale directly to the third party and Seller shall deliver the proceeds of such sale to Buyer within 2 Business Days of the corresponding closing. Buyer shall be responsible for all reasonable costs and expenses associated with such sale.

- (k) New Acquired REOs. If, during the period between the date hereof and the Closing Date, Seller receives title to a Mortgaged Property as a result of foreclosure, deed-in-lieu of foreclosure, power of sale or otherwise, such Mortgaged Property shall be treated as an REO and shall be sold to Buyer pursuant to such provisions relating to the sale of an REO. The representations and warranties of this Section applicable to the Assets (or any part acquired thereof by Seller) shall be those corresponding to the Loans until the date that

Seller acquires a Mortgaged Property and those corresponding to the REOs thereafter. In such event, the Base Purchase Price shall not be adjusted with respect to such Asset.

- (l) Escrows. Seller has funded, held, administered and disbursed all escrows and reserve accounts, and collected, held and disbursed all insurance and condemnation proceeds, associated with each Loan in accordance with applicable law and the terms and conditions of the documents governing same, all amounts to be paid from funds escrowed, reserved or otherwise received by Seller in connection with the Loan have been properly applied or disbursed and when due, and the accountings provided to Buyer with respect to the Escrow Amounts are true, correct and complete. No tenant deposits required to be segregated by applicable law are included in any Escrow Amounts and no such segregated escrow accounts exist. None of the Escrow Amounts are subject to any claim, lien or security interest unless in favor of Lender as provided under the Collateral Documents.

Section 4.3 **Survival of Representations and Warranties.** Notwithstanding anything to the contrary contained in this Agreement, (i) each of the representations and warranties made by Seller in Sections 4.1 shall survive the Closing Date, and (ii) each of the representations and warranties made by Seller in Sections 4.1 and 4.2 shall terminate one-hundred eighty (180) days following the delivery of the Loan File for such particular Loan or the execution of the Deed to transfer the applicable REO, as each case may be, and thereafter, Buyer shall be permanently estopped from asserting against Seller any claim that is based upon an alleged breach of any such representation or warranty. Any claim by Buyer for a breach of any representation by Seller in Sections 4.1 and/or 4.2 of this Agreement shall be made by Buyer delivering to Seller written notice thereof promptly after Buyer has learned of such breach. If Buyer provides written notice to Seller of a breach of any representation by Seller in Sections 4.1 and/or 4.2 of this Agreement prior to the expiration of the applicable deadline established in this Section 4.3, then the applicable claim shall survive until resolved, in accordance with Section 5.1 hereof.

ARTICLE 5

DEFAULTS AND INDEMNIFICATION

Section 5.1 **Defaults.**

- (a) Breach. Subject to the limitations set forth in Section 4.3, in the event of one or more material breaches by Seller of any representation, warranty, covenant or agreement contained in Sections 4.1 and/or 4.2 of this Agreement resulting (individually or in the aggregate) in a reduction of the value of an Asset and/or the underlying collateral of a Loan, by an amount equal to or exceeding ten percent (10%) of the Allocated Repurchase Price of such Asset, then Seller shall have a period of sixty (60) days after written notice by Buyer to cure such breach or breaches. Such notice shall contain detailed information regarding the basis for such request, and such notice shall be sufficient to demonstrate to Seller's reasonable satisfaction that the breach or breaches do in fact result in a reduction of the value of such Asset and/or the underlying collateral of a Loan, as described above. If Seller does not substantially cure or correct such breach or breaches within the 60-day period, or if both parties are unable to agree in writing upon an

amount to be paid by Seller to Buyer to remedy or compensate Buyer for one or more breaches, then Seller shall repurchase the Asset as set forth below; provided, however, that with respect to a breach that can reasonably be cured non-monetarily but such non-monetary cure cannot reasonably be completed in sixty (60) days, Seller shall have an additional thirty (30) day period to complete such cure provided that Seller has diligently and continuously exercised commercially reasonable efforts to complete such cure and continues to do so throughout such period (the “**Breach Cure Period**”); provided, further, that if Seller reasonably requires, in the Seller’s discretion, information and/or access to copies of any document or documents in any Loan File or other documents that Seller had provided to Buyer, in each case solely to the extent such documents are in the possession of Buyer, any of its Affiliates or its designees, Seller shall provide written notice to Buyer and Buyer shall, to the extent permitted by applicable law, provide such documents (or copies thereof) or access to such documents within three (3) Business Days thereafter; provided, further, that if Buyer does not provide such requested documents within such three (3) Business Days (subject to the limitations set forth above), the Breach Cure Period shall be extended by one additional Business Day for each Business Day that Buyer is late in delivering such documents. If Buyer provides Seller with written notice of a breach prior to the applicable deadline, the applicable claim shall survive until resolved in accordance with this Section 5.1(a).

- (b) Repurchase Procedure. If, pursuant to Sections 4.2 (d), 5.1(b), 6.2, 7.1, and 7.11 of this Agreement, Seller is required to repurchase any Asset, then, on the repurchase date:
 - (i) Seller shall pay to Buyer, in immediately available funds, the repurchase price as follows: (1) the Allocated Repurchase Price (2) minus any collections (including, but not limited to, the proceeds of any insurance policy and the awards from any condemnation proceedings) received with respect to the Loan since the Cutoff Date, (3) minus the amount held by Buyer in any escrow account with respect to the applicable Asset, (4) plus an amount equal to the sum of any insurance premiums advanced by Buyer on behalf of the mortgagor in accordance with the terms of the Mortgage and any real estate tax payment advanced by Buyer on behalf of the Borrower in accordance with the terms of the Mortgage with respect to the applicable Loan, and (5) plus any protective advances made by Buyer after the Closing Date with respect to any Mortgaged Property that is part of the collateral for the applicable Loan.
 - (ii) Buyer shall deliver to Seller all originals and copies of the Loan Agreement(s), Note(s), Mortgage Note(s) and any other Collateral Documents, and related Loan Files and any other transfer documents or other documents that were delivered to Buyer pursuant to this Agreement regarding such Loan Agreement, Note(s), Mortgage Note(s) and other Collateral Documents, together with any addenda, exhibits and schedules thereto and together with any post-closing correspondence and documents.
 - (iii) With respect to each such Note and Mortgage Note, Buyer shall endorse, transfer, convey or assign to Seller the Note and Mortgage Note and

Collateral Documents in the same manner as such Note and Mortgage Note and the associated Collateral Documents was transferred and assigned from Seller to Buyer by documentation in the same form as that delivered from Seller to Buyer.

- (iv) If at the time of repurchase, Buyer owns the Mortgaged Property related to the transferred Loan, Buyer shall convey to Seller all right, title and interest in and to such Mortgaged Property pursuant to a deed equivalent in form to the Deed and other appropriate documents and shall make all deliveries and take all other actions on substantially the same terms and conditions under which Seller had conveyed the related Asset to Buyer and provided that the Mortgaged Property shall be so conveyed in substantially the same condition it was in when Seller conveyed the related Asset to Buyer.
- (v) Seller shall be responsible for, and shall pay when due and payable, all transfer, filing and recording fees and taxes, costs and expenses, and any state or county documentary taxes, if any, with respect to the filing or recording of any document or instrument contemplated hereby in connection with such repurchase, and shall be responsible for recording any documents evidencing the transfers contemplated in connection with such repurchase.
- (vi) After the date of repurchase hereunder, Buyer shall promptly endorse, assign over and deliver to Seller any and all additional Loan Payments received from or on behalf of any Obligor on the repurchased Note. All amounts paid over to Seller hereunder shall be without payment of interest thereon.
- (vii) Upon repurchase of any Note, Buyer agrees to immediately terminate, at its sole cost, any servicing agreement regarding the Loan repurchased.
- (viii) To the extent that the Loan or Asset being repurchased is part of a Relationship, then all Loans or Assets in such Relationship shall be repurchased as described herein.

Section 5.2 Indemnification and Release of Seller.

- (a) Buyer's Indemnification. Buyer shall indemnify, defend and hold Seller harmless, from and against any and all claims, demands, losses, damages, penalties, fines, forfeitures, judgments, reasonable legal fees and any other reasonable costs, fees, and expenses incurred by Seller asserted by any third-party in connection with (i) the material inaccuracy of any of Buyer's representations or warranties herein, (ii) the material breach of any of Buyer's covenants herein, or (iii) any claim by any Obligor regarding subsequent assignment, enforcement, servicing or administration of the Assets by Buyer following the Closing. The obligations of Buyer under Section 5.2(a)(i) and 5.2(a)(ii) shall survive the Closing for a period of two years (2) years after the Closing Date. The obligations of Buyer under Section 5.2(a)(iii) shall survive the Closing for a period that is the greater of (A) two (2) years and (B) the period during which Buyer or Buyer's agents service or collect the Assets.

- (b) Seller's Indemnification. Seller shall indemnify, defend and hold Buyer harmless, from and against any and all claims, demands, losses, damages, penalties, fines, forfeitures, judgments, reasonable legal fees and any other reasonable costs, fees, and expenses incurred by Buyer asserted by any third-party that is not an Affiliate of Buyer in connection with (i) the material breach of any of Seller's covenants herein, or (ii) any claim by any Obligor regarding the enforcement, origination, servicing or administration of the Assets by Seller prior to the Closing. The obligations of Seller under this Section 5.2(b) will survive the Closing for a period of two (2) years after the Closing Date.
- (c) Procedure for Indemnification. Any party seeking indemnification with respect to a claim or loss shall give prompt written notice thereof to the party against whom indemnification is sought. If the party seeking indemnification hereunder provides written notice prior to the applicable deadline, the applicable claim shall survive until resolved. Indemnitor shall have the right to assume the defense of any and all claims for which indemnification is sought hereunder, and indemnitee agrees to cooperate with indemnitor in any such defense. If the amount of any claim or loss shall, at any time subsequent to payment pursuant to this Agreement, be reduced by recovery, settlement or otherwise, the amount of such reduction, less any expenses incurred in connection therewith, shall promptly be repaid by the indemnitee to the indemnitor.
- (d) Conflicts; Separate Counsel. Notwithstanding anything to the contrary herein, if the defendants in any action for which indemnification is claimed under this Section 5.2 include both the indemnitee and the indemnitor and the indemnitee shall have reasonably concluded that a conflict may arise between the positions of the indemnitor and the indemnitee in conducting the defense of any such action or that there may be legal defenses available to it which are different from or additional to those available to the indemnitor, the indemnitee shall have the right to select separate counsel, assume such legal defenses, and otherwise participate in the defense of such action on behalf of such indemnitee. Upon receipt of notice from the indemnitor to the indemnitee of such indemnitor's election so to assume the defense of such action and approval by the indemnitee of counsel, the indemnitor will not be liable to such indemnitee under this Section 5.2 for any legal or other expenses subsequently incurred by such indemnitee in connection with the defense thereof unless (i) the indemnitee shall have employed separate counsel in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnitor shall not be liable for the fees and expenses of more than one separate counsel, together with local counsel (if any), representing the indemnitee who is a party to such action), (ii) the indemnitor shall not have employed counsel reasonably satisfactory to the indemnitee to represent the indemnitee within a reasonable time after notice of commencement of the action, or (iii) the indemnitor has authorized in writing the employment of counsel for the indemnitee at the expense of the indemnitor, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnitor and shall be paid as they are incurred.
- (e) Settlements. The indemnitor under this Section 5.2 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnitor agrees to indemnify the indemnitee against any loss, claim, damage, liability or

expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnitee shall have requested the indemnitor to reimburse the indemnitee for fees and expenses of counsel as contemplated by 5.2(d), the indemnitor shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than forty-five (45) days after receipt by such indemnitor of the aforesaid request and (ii) such indemnitor shall not have reimbursed the indemnitee in accordance with such request prior to the date of such settlement. No indemnitor shall, without the prior written consent of the indemnitee, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnitee is or could have been a party and indemnity was or could have been sought hereunder by such indemnitee, unless such settlement, compromise or consent includes an unconditional release of such indemnitee from all liability on claims that are the subject matter of such action, suit or proceeding and does not include an admission of fault or culpability or a failure to act by or on behalf of such indemnitee.

- (f) Release of Seller. In connection with any modification and/or negotiated settlement of any Loan, the Buyer shall (or shall cause the servicer of such Loan to) use commercially reasonable efforts to obtain from any related Obligor a full and unconditional release of Seller and its Affiliates, to the extent and in the form the Buyer obtains such a release for itself, in connection with any negotiation and/or negotiated settlement of such Loan, and any other acts or omissions of Seller in connection therewith; provided, however, that using commercially reasonable efforts shall not obligate Buyer to accept less favorable terms in the modification or negotiated settlement in order to obtain such release of Seller and its Affiliates. If Buyer (or the servicer on its behalf) is unable to obtain any such full and unconditional release from any Obligor (which Buyer has obtained a release for itself) in connection with any such proposed modification or settlement, the Buyer shall use reasonable efforts to notify Seller of such failure to obtain the release.

Section 5.3 Specific Performance. Notwithstanding the above, if Seller fails to perform its obligations of this Agreement to sell any or all of the Assets to Buyer, Buyer shall have the right to pursue specific performance of the sale of the Assets to Buyer.

ARTICLE 6

CLOSING

Section 6.1 Closing; Conditions Precedent. The Closing of the sale of the Assets shall take place by fax or email on the Closing Date, except for the Deeds and any other closing document required to be notarized on the Closing Date which shall be executed by an authorized representative of the Seller and the Buyer in Puerto Rico on the Closing Date. Seller and Buyer agree that time is of the essence with respect to the performance of each of their obligations hereunder.

In the event the Closing does not occur because of a failure of a condition precedent attributable only to Seller, then Buyer shall be entitled to a prompt return of the Deposit.

The Closing shall be subject to each of the following conditions:

- (a) all of the representations and warranties under this Agreement shall be true and correct in all material respects as of the Closing Date and no event shall have occurred which, with notice or the passage of time, would constitute a default under this Agreement;
- (b) the parties shall have exchanged all Closing documents (which shall be in acceptable form to both Buyer and Seller) as specified in Sections 6.3(d) and (e) below; and
- (c) all terms and conditions of this Agreement shall have been complied with.

Section 6.2 **Review of Collateral Documents.** Buyer may, at its option and at its expense, perform an inventory of Collateral Documents prior to the Initial Closing Date for any Loans with a Pool designation of “Pool 1A”, “Pool 1B”, or “Pool 2” on the Loan Schedule. Such review shall take place by Buyer’s personnel on-site at Seller’s offices on dates and times mutually agreed to by the parties.

To the extent that any Collateral Documents are found to be missing, Buyer shall provide Seller with a detailed list of affected Assets and such missing Collateral Documents. Prior to the Initial Closing Date, Seller may cure any of the missing Collateral Documents. Buyer and Seller shall mutually agree, prior to the Closing Date, as to which missing Collateral Documents are material (“Missing Material Collateral Documents”).

On the Closing Date, Buyer shall pay the portion of the Total Amount Payable attributable to the Assets with Missing Material Collateral Documents to the Escrow Agent to be held as a repurchase reserve in escrow with the Escrow Agent pursuant to the terms hereof.

Within sixty (60) days following the Closing Date, Seller shall deliver to Buyer any Missing Material Collateral Documents that Seller has found, at which time the Escrow Agent shall release to Seller the amounts held in escrow related to such Assets for which the Missing Material Collateral Documents have been provided to Buyer.

To the extent that any Missing Material Collateral Documents are not found within such 60-day period, Buyer shall have thirty (30) Business Days after the end of such 60-day period to provide written notice to Seller requiring repurchase of those Assets with uncured Missing Material Collateral Documents. In such case, upon receipt of written notice of Buyer’s notice requiring repurchase, Seller shall repurchase such Assets in accordance with the procedures described in Section 5.1(b), except that the funds required to be transferred to Buyer in connection with such repurchase shall be those held in escrow related to such Assets, and shall be transferred to Buyer by Escrow Agent from the Escrow Account.

If Buyer does not provide the notice requiring the repurchase of the applicable Asset(s) within the thirty (30) Business Days period established above, then after providing written notice to Buyer and Seller, Escrow Agent shall release to Seller the amounts held in the Escrow Account related to such Assets.

Section 6.3 **Closing Documents.**

- (a) Before 5PM eastern time three (3) Business Days prior to the Closing Date:

- (i) Seller shall deliver to Buyer a draft of the Loan Schedule and the Settlement Statement;
 - (ii) Buyer shall deliver to Seller the list of Loans referenced in Section 6.3(c)(i); and
 - (iii) If applicable, UCC-3 and/or deed of cancellation of mortgage to cancel any existing lien over the Assets in favor of any person where Seller is the debtor.
- (b) On or before 5PM eastern time on the Business Day prior to the Closing Date, the parties shall exchange the following:
 - (i) One (1) original of this Agreement, fully-executed;
 - (ii) each party's approval of the Loan Schedule and Settlement Statement;
 - (iv) consents, to the extent required, executed by the required parties in order to transfer any Asset hereunder; and
 - (v) list of all Notes and Mortgage Notes, for those Assets with a Pool designation of "Pool 1A", "Pool 1B", and "Pool 2".
- (c) On the Closing Date, after confirmation of receipt of the funds required under Section 6.4, Seller shall deliver the following documentation to Buyer, as applicable:
 - (i) Three (3) certified copies of the Limited Power of Attorney, substantially in the form of Exhibit L, fully executed by Seller, in order to authorize Buyer to execute the corresponding allonges to the Notes and Mortgage Notes in the form of Exhibit I; provided, however, that, even though that the endorsement in the allonges will be made without recourse, all and any representation or warranty set forth in this Agreement shall survive the Closing as per the terms of this Agreement. Buyer's remedies upon a breach of any representation or warranty are limited solely to those remedies of Buyer expressly set forth therein.
 - (ii) In connection with the REOs, Seller shall deliver the following:
 1. all material documents and agreements relating to the acquisition of the REO by Seller, including, without limitation, any foreclosure or deed in lieu of foreclosure. In the case of any foreclosure, copies of all judicial documents and other documents relating to such foreclosure;
 2. any title insurance report, title insurance policy or title insurance commitment obtained at or prior to the acquisition of the REO by Seller;
 3. in connection with any leased REO, copy of such lease and an assignment of such lease in favor of Buyer;

Buyer shall provide notice by email of its consent or denial of consent within three (3) Business Days; if Seller does not receive such notice, Seller shall proceed with such action(s) in accordance with its current policies and procedures.

To the extent Seller breaches this covenant, Buyer shall have the right to remove the applicable Asset from this Agreement following the repurchase procedure set forth in Section 5.1(b).

- (b) On the Servicing Transfer Date, Seller shall transfer to Buyer all servicing rights to, and Buyer shall assume all liability and responsibility for, the servicing of each Asset and Seller shall be discharged from all liability therefor with respect to the servicing of such Assets.

Section 7.3 Buyer's Assumptions Post-Closing. Seller agrees to delegate to Buyer, and Buyer agrees to assume and to perform faithfully all of Seller's duties, obligations and liabilities accruing on or after the Closing in respect of each of the Assets, subject to the terms of this Agreement. Such duties, obligations and liabilities include, without limitation: (a) all obligations and responsibilities of servicing the Assets; (b) all of Seller's obligations under each and every contract of insurance or Guaranty then existing and transferred to Buyer in respect of any Asset; and (c) all obligations of the holder of the Loan in respect of any Borrower Escrow Amounts.

Section 7.4 Insurance with Respect to the Assets. Buyer shall be solely responsible for having itself substituted as loss payee or additional insured on all hazard or mortgage insurance that has been paid by the applicable Obligor prior to the Closing Date in respect of any Asset in which Seller is listed as a loss payee or additional insured on the Closing Date; and any loss after the Closing Date to either a Borrower or to Buyer or to the value or

collectability of any Asset which arises either by reason of the termination or expiration of any such insurance, or of Buyer's failure to identify itself as loss payee or additional insured, is the sole responsibility of Buyer.

Section 7.5 **Borrower Escrow Amounts.** Effective as of the Servicing Transfer Date, and except to the extent expressly stated to the contrary in this Agreement, Buyer shall assume, undertake, and discharge any and all obligations under the Loans as may relate to the Borrower Escrow Amounts.

Section 7.6 **Litigation Cooperation.** Seller and Buyer shall cooperate with each other so as to, as soon as practicable after the Closing Date, substitute Buyer as the party plaintiff in any Pending Litigation.6.3(d)(iii) and 6.3(i)

- (b) Notwithstanding the foregoing, Seller in its sole discretion may elect at its own expense and with legal counsel selected by Seller to defend any claims against Seller asserted in any Pending Litigation. Buyer and Seller shall cooperate with each other in connection with any Pending Litigation in which Seller elects to defend against claims asserted against Seller.
- (c) Seller will be responsible for any and all legal expenses related to judicial proceedings (including, but not limited to, foreclosure attorney fees and related expenses) that were accrued or incurred by Seller for services performed on or prior to the Closing Date in connection with the Assets, regardless of whether such expenses have been adequately invoiced to Seller, except that Buyer shall be responsible for such expenses that Seller incurred after the Cutoff Date if such expense was incurred because delaying such action would have been prejudicial to Buyer's interest in the Loan after Closing. Seller agrees to pay or settle all such expenses as soon as practicable, but no later than thirty (30) days following the Closing Date. Buyer shall be responsible for all such expenses for services performed after the Closing Date in connection with the Assets.

Section 7.7 **Forwarding Loan Payments.** Seller shall, on not less than a weekly basis, forward and remit to Buyer any Loan Payments on any Loan received by Seller after the Closing Date.

Section 7.9 **Use of Seller's Name.** Buyer will not use or refer to the name of Seller and will not portray itself as Seller's agent, partner, or joint venturer with respect to the Assets. However, Buyer may use the name of Seller for purposes of identifying an Asset in communications with Obligors in order to service or enforce the Loans or enforce this Agreement. In contacting an Obligor or filing suit, Buyer will not state or represent in any way that Buyer is contacting or filing suit for or on behalf of Seller or that Seller will take any action with regard to the Asset or the Obligor.

Section 7.10 **Notice of Obligor Claims or Litigation.** If either party receives notice of (i) any claim, demand or legal proceeding, (ii) threatened claim, demand or legal proceeding or (iii) litigation filed by an Obligor which arises from or relates to the Assets, such party shall promptly notify the other party.

Section 7.11 **Revolving Line of Credit Advances and Loans Not Fully-Disbursed.** On the Closing Date, Buyer shall assume any obligations and liabilities related to the Loans arising on the Closing Date and thereafter, including the obligation to make advances on revolving lines of credit and disbursements on Loans that are not fully disbursed to the extent such Loans have been duly identified by Seller in the Loan Schedule with a future funding flag.

Buyer shall have the right to remove from this Agreement any Loan that is subject to a future funding obligation if such Loan is not identified by the Seller with a "future funding flag" in the Loan Schedule and follow the repurchase procedure set forth in Section 5.1(b).

Failure or delay in delivering copies of any notice, demand, request, consent, approval, declaration or other communication within any corporation or firm to the persons designated to receive copies shall in no way adversely affect the effectiveness of such notice, demand, request, consent, approval, declaration or other communication.

Section 8.2 **Severability.** Each part of this Agreement is intended to be severable. If any term, covenant, condition or provision hereof is unlawful, invalid, or unenforceable for any reason whatsoever, and such illegality, invalidity, or unenforceability does not affect the remaining parts of this Agreement, then all such remaining parts hereof shall be valid and enforceable and have full force and effect as if the invalid or unenforceable part had not been included.

Section 8.3 **Amendment.** This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

Section 8.4 **Waiver.** Any term, condition or provision of this Agreement may be waived at any time but only in writing signed by the party to be bound thereby.

Section 8.5 **Headings.** The headings contained in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or any provision hereof.

Section 8.6 **Construction.** Unless the context otherwise requires, singular nouns and pronouns, when used herein, shall be deemed to include the plural of such noun or pronoun, pronouns of one gender shall be deemed to include the equivalent pronoun of the other gender; and references to a particular Section, Schedule, Addendum, or Exhibit shall be deemed to mean the particular Section of this Agreement or Schedule, Addendum or Exhibit attached hereto, respectively; and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular provision.

Section 8.8 **Assignment.** Seller may assign its rights under this Agreement without the consent of Buyer. This Agreement and the terms, covenants, conditions, provisions, obligations,

undertakings, rights and benefits hereof, including the Addenda, Exhibits and Schedules hereto, shall be binding upon, and shall inure to the benefit of, Seller's and its respective heirs, executors, administrators, representatives, successors, and assigns.

All representations, warranties and covenants of Seller shall be transferred to any successor entity that may be created to substitute the Seller.

In addition, Buyer may assign its rights under this Agreement to any Related Purchasing Entity, provided such entity (i) is not a Prohibited Person; and (ii) assumes all obligations of Buyer under this Agreement. Such assignments shall not release Buyer from its obligations under this Agreement.

Section 8.9 **Prior Understandings; Integrated Agreement.** This Agreement supersedes any and all prior discussions and agreements (written or oral) between Seller and Buyer with respect to the purchase of the Assets and other matters contained herein, and this Agreement, including the Assignment and Assumption Agreement and the Deeds, contain the sole, final and complete expression and understanding between Seller and Buyer with respect to the transactions contemplated herein. In the event of any inconsistency among this Agreement, the Assignment and Assumption, the Deeds or any other document executed in connection with the transaction contemplated in this Agreement, the terms and conditions of this Agreement shall prevail.

Section 8.10 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument, and either party hereto may execute this Agreement by signing any such counterpart.

Section 8.11 **No Third-Party Beneficiaries; No Broker.** No person, firm or other entity other than Seller and Buyer and their permitted successors or assigns, shall have any rights or claims under this Agreement. Buyer and Seller each represent to the other that it has not dealt with any broker, finder or other party entitled to a commission or other compensation or which was instrumental or had any role in bringing about the sale of the Assets other than Garnet Capital Advisors, LLC, whose commissions shall be paid by Seller pursuant to the terms of a separate agreement between Seller and Garnet Capital Advisors, LLC. Seller and Buyer each agree that should any claim be made for a commission, finder's fee or other compensation by any other broker, finder or other party who alleges to have had dealings or negotiations with Buyer or Seller in breach of the foregoing representation, the party who is alleged to have breached such representation shall hold the other party free and harmless from any and all claims, liabilities, losses, damages, costs of expenses as a result of a breach of the foregoing representation, including, without limitation, reasonable attorneys' fees and expenses, in connection therewith. Notwithstanding any provision of this Agreement to the contrary, the representation and indemnity of Buyer and Seller set forth in this section shall survive the Closing or the termination of this Agreement.

Section 8.12 **Further Assurances.** Each party agrees that it will without further consideration execute and deliver documents as may be reasonably requested by the other party to consummate more effectively the purposes or subject matter of this Agreement. If Seller agrees to cooperate or provide assistance with respect to any litigation or other disputes subsequent to the Closing at Buyer request, then Buyer shall, upon demand, reimburse Seller for any reasonable costs, fees, expenses (including attorneys' fees and expenses) and other amounts that Seller incurs in connection with providing such cooperation and assistance.

Also, if Buyer requests or subpoenas an official or employee of Seller to appear at a trial, hearing or to testify about any Asset or this Agreement, Seller shall provide an appropriate official or employee to so appear.

Section 8.13 Governing Law; Jurisdiction; WAIVER OF JURY TRIAL. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Puerto Rico. Buyer and Seller each hereby irrevocably consent to the personal jurisdiction of the courts of Puerto Rico, in any action to enforce, interpret or construe any provision of this Agreement or of any other agreement or document delivered in connection with this Agreement. Each Party irrevocably agrees that any action or proceeding against it arising out of or in any manner relating to this Agreement shall be brought and litigated in a state court of competent jurisdiction in San Juan, Puerto Rico. THE PARTIES IRREVOCABLY AGREE TO WAIVE ANY RIGHTS IT MAY HAVE TO A JURY TRIAL IN ANY ACTION OR PROCEEDING AGAINST IT, ARISING OUT OF OR OF RELATING IN ANY MANNER TO THIS AGREEMENT. Notwithstanding the foregoing, the Parties shall use their respective best efforts to settle amicably all disputes or differences concerning the interpretation or application of any provision of this Agreement. If any such dispute or difference is not so settled within a commercially reasonable time, however, each Party shall have the right to refer it to avail itself of any remedies provided for in this Agreement.

Section 8.14 Confidentiality. Each party agrees that, without the prior consent of the other party, it shall keep the contents of this Agreement confidential (including, without limitation, the Total Amount Payable and Base Purchase Price), except that either party may make any such disclosure (a) to its Affiliates and its Affiliates' respective directors, officers, counsel, lenders, prospective joint venture partners, auditors and other professional advisors, (b) as may be required by any law, rule or regulation, (c) request or demand of any governmental authority having or asserting jurisdiction over it, (d) if its attorneys advise it that it has a legal obligation to do so or that failure to do so may result in it incurring a liability, or (e) in the case of the Seller to the Office of the Controller. Subject to the requirements of applicable law and regulation (including the U.S. Federal Securities Laws), none of the parties to this Agreement shall issue, or cause to be issued, any public announcement or press release or make any public statement with respect to the transactions contemplated hereby without the prior written consent of the other party (which consent shall not be unreasonably conditioned, withheld or delayed). Notwithstanding the foregoing, nothing herein shall prohibit Seller or Buyer from making any disclosure that, in the opinion of its counsel, is required by law or regulation or otherwise required by a governmental agency with jurisdiction of a party hereto, applicable to such party or any of its Affiliates.

Section 8.15 Interpretation. The parties hereby agree that: (a) any person interpreting or construing this Agreement shall not apply a presumption that the terms hereof shall be more strictly construed against any person by reason of the rule of construction that a document is to be construed more strictly against the person who itself or through its agent prepared the same; and (b) all parties have participated in the preparation of this Agreement.

Section 8.16 Intention of the Parties; Sale Treatment. It is the express intention of the Seller and Buyer that the transactions contemplated by this Agreement be, and be construed as, a sale of the Assets by Seller and not a pledge of the Assets by Seller to Buyer to secure a debt or other obligation of Seller. Consequently, the sale of each Asset shall be reflected as a sale on Seller's and Buyer's business records, tax returns and financial statements.

Accordingly, Seller and Buyer shall each treat the transactions for federal, state and local income tax purposes (as applicable) as a sale by Seller, and a purchase by Buyer, of the Assets.

However, in the event that, notwithstanding the intent of the parties, the Loans are held to be the property of Seller, or if for any other reason this Agreement is held or deemed to create a security interest in the Loans, then:

- (a) this Agreement shall constitute a security agreement;
- (b) the conveyance provided for in this Agreement shall be deemed to be a grant by Seller to Buyer of, and Seller hereby grants to Buyer, to secure all of Seller's obligations hereunder, a security interest in all of Seller's right, title, and interest, whether now owned or hereafter acquired, in and to:
 - (i) The Assets;
 - (ii) All accounts, chattel paper, deposit accounts, documents, general intangibles, goods, instruments, investment property, letter-of-credit rights, letters of credit, money and oil, gas and other minerals, consisting of, arising from or relating to, any of the Loans; and
 - (iii) All proceeds of the foregoing.

Seller shall file such financing statements, and Seller, the Buyer shall, to the extent consistent with this Agreement, take such other actions as may be necessary to ensure that if this Agreement were found to create a security interest in the Loans, such security interest would be a perfected security interest of first priority under applicable law and will be maintained as such throughout the term of the Agreement. In connection herewith, Buyer shall have all of the rights and remedies of a secured party and creditor under the Uniform Commercial Code as in force in the relevant jurisdiction.

Section 8.17 Registration of this Agreement. The parties acknowledge that this Agreement is subject to the provisions of Act No. 18 of October 30, 1975, as amended and will be presented for registration at the Office of the Comptroller of Puerto Rico and that Seller shall perform such registration promptly after the Closing Date.

Notwithstanding the above, Seller acknowledges that the registration of this Agreement must be redacted in order to protect the business information of the Buyer, including but not limited the Base Purchase Price and the Allocated Repurchase Price. Accordingly, Seller and Buyer must approve in writing the final redacted version to be filed at the Office of the Comptroller of Puerto Rico.

Section 8.18 Confirmation of Seller's Name. The Parties acknowledge and agree that a reference to Seller's name can be either "Economic Development Bank of Puerto Rico" or "Economic Development Bank for Puerto Rico" or "Banco de Desarrollo Economico para Puerto Rico". The Parties further acknowledge and agree that any references to "Economic Development Bank of Puerto Rico" or "Economic Development Bank for Puerto Rico" or "Banco de Desarrollo Economico para Puerto Rico" in this Agreement, the "Collateral Documents and/or any other instruments related to the transaction contemplated by this Agreement shall be valid, legal references to Seller. Seller hereby ratifies and affirms

this Agreement, the Loan Documents and any other instruments related to the transaction contemplated by this Agreement.
